Pre-Game Sportsmanship Message

Good Evening and Welcome to Maclay! We're Glad you're here! Tonight's game features the Maclay Marauders and the _____. We want to welcome all of the _____ Players, Coaches, Parents, and Fans!

As you get ready to watch the game, we want to remind you that these are student athletes, and they're playing a game. We want you to cheer like crazy for your favorite player and cheer like crazy for your favorite team, but we're going to **let the Players Play** and have some Fun!

We're also going to let the **Coaches do the Coaching**. If YOU would like to be a coach, get in touch with your school's Athletic Director and he will give you a whistle, a clipboard, a hat, and a practice schedule and then you can start coming to practice every day and learn how to coach. But until then - **NO COACHING** from the Bleachers!

And finally, we're also going to let our **FHSAA Certified Officials** call the action - if YOU would like to become an official, we can put you in touch with the official's association and after you pass the rules exam, you can start refereeing middle school and youth games. But until then - **NO OFFICIATING** from the Bleachers! At Maclay, we expect everyone to **BE A GREAT SPORT!**

Well the teams have finished their warm ups - the officials have met with the captains and the coaches and we are ready to go! It's Maclay vs _____. The MARAUDERS vs The _____... Let's Play Some _____!
